reach each destination, the Holy Spirit goes to work and most times people are convicted of sin, then give their lives to Christ. People in our church who have traveled to Guatemala and other Central America countries have experienced this ministry first hand. Pete Lyon, Dave Bushey, Vickie Gurney, Nick Hubbard, Don Thomas (former member) Pete Winstead (Oak Grove Pastor), and me. Look what the Lord has done. More than 110 churches have been started and I'm out of room to talk about the jungle ministry. Let's give as we can. Cesar thanks Cross Creek for our continued support over many years.
